Do you think you have what it takes to compete against the teachers and the other footy tipping experts at Lilydale West in 2015? Can you take the trophy off our reigning champion Duane Cochrane? (Jackson’s Dad) Well here is your chance!

Go onto the Lilydale West website - www.lilydalewest.vic.edu.au, click on the FOOTY TIPPING 2015 link. This will take you to a footy tipping competition conducted by the AFL. If you participated in 2014 you can login using the ‘Returning 2014 User’ link and type in your old username and password, then follow the reactivation steps. If you are a new participant, complete the required details.

Once you have completed the registration process, click on the COMPS tab at the top, then ‘Create/Join.’ Click on ‘Join a Comp’ and type in Lilydale West Primary School and click ‘Search.’ Select the Lilydale West Primary School link. The code that you need to enter is GoWesties. You will now be a member of a private competition for the Lilydale West Community.

The prize for the #1 tipster is to have your name inscribed on the Lilydale West Footy Tipping Trophy and the right to display the trophy on your mantel-piece at home until the end of the next footy season! You also win a footy. The AFL is also offering a range of prizes for top tipsters. Students, Parents, Teachers and Family Members are encouraged to join in with the fun, so feel free to pass on the code. Make sure you sign up before Round 1.

The link to the footy tipping site will permanently remain on the school web site, therefore each week you can check out what is happening at LWPS prior to completing your footy tips.
