WHO WANTS TO PLAY COMPETITION BASKETBALL?

Dear Parents/Guardians,

Lilydale West Primary School has had a partnership with the SEBC Saints Basketball Club for 6 years, as an alternative to the school participating in the After School Basketball Competition. In 2015 we expanded our recruiting drive to include the Mt Lilydale Basketball Club, (Lakers) which proved to be very successful with a number of children joining the club.

### The SEBC Saints
The SEBC Saints are the biggest club in the Kilsyth & Mountain District Basketball Association. They offer a range of additional opportunities, including ‘get to know basketball’ programs for young children. A large number of Lilydale West students, of all ages, already play for the club.

### The Mt Lilydale Basketball Club (Lakers)
The Mt Lilydale Basketball Club (Lakers) are a fast growing club based in the local area. All training sessions are held at Mt Lilydale Mercy College. A high number of children at Lilydale West have recently joined the club.

The aim of the recruiting drive is to increase the chances of children from the school joining a sporting club at the same time. It is hoped that a system such as this will help to give children the courage to become involved in an ‘out of school’ activity, and at the same time create links within LWPS families. Both clubs will make an effort to place students from Lilydale West into the same teams.

### COMPETITON BASKETBALL DETAILS:
- **Winter Season**: Beginning Term 2
- **Age Groups** – Miniball (Under 7s & 8s), Under 9s, 10s, 11s, 12s, 13s
