5.9.2016

Dear Parents,

As we enter our Peer Review we are very enthusiastic about involving parents in this process. Through hearing your opinions about where the school is at and where we, as a community, want the school to go, we hope to develop a clear vision for the future.

We ask that parents fill in the google form through this link

https://goo.gl/forms/YnKTHCu054CWsiQk1

This is a very short survey that will help to create a picture of parent experiences and hope for their child’s schooling at Lilydale West Primary School.

We thank you for your contribution and will keep you informed about the outcomes of the Peer Review as information becomes available.

Yours sincerely,

Lisa Branch
Principal
