Dear Parents,

The Mooroolbark District Community Sports Day is being held on **Friday 11th November** at Oxley College. It is a fantastic event as it provides equal opportunity for all students to compete in a range of modified sports and athletics events. All students are expected to participate in the event, as it is a key aspect of the Term 4 Sports Curriculum, with the students preparing each Friday morning leading up to the event.

**Cost:** $5.00

**Times:** The buses will leave school at 9:00am, with all children returning back to school by approximately 2:50pm. The students must be at school by **8:45** (this is very important!!!) to allow enough time to organise them for the day.

**What to wear:** Appropriate school sports clothing must be worn – runners, black shorts or suitable sports shorts. (Leggings for girls are allowed) The children will be given a Lilydale West sports shirt to wear. Most importantly, the students are to wear their school hats.

**What to bring:** Lunch, snacks, plenty of water and SUNSCREEN! Please have your child apply plenty of sunscreen prior to coming to school. It is expected at this age that the students are capable of managing their own sunscreen application throughout the day to ensure adequate protection. We will help to remind them about this.

The permission form must be returned to school by **Monday 24th October**.

Each team, (the students will be organised into 7 teams) requires a parent to accompany them at the event, providing supervision at each activity and supporting them where necessary. If you can assist with this it would be greatly appreciated. Please indicate this below and the classroom teachers or myself will contact you if the assistance is required.

Scott Clarke  
Sports Coordinator

**MAKE SURE YOU RETAIN THIS SECTION OF THE NOTICE**

---

**Mooroolbark District Community Sports Day**  
**YEAR 5-6**
